

# **Brief-Curriculum Vitae**

## **Prof. Dr. Guy Bodenmann**

Professor of Clinical Psychology  
University of Zurich (Switzerland)

## **Major Research Interests**

Stress and Coping in couples, Prevention of dysfunctional relationships, Mental disorders and close relationships, Evaluation of couple therapy and prevention programs for couples, Relationship functioning and child well-being/disorders

## **Positions**

- |           |   |
|-----------|---|
| 1993-1994 | Research fellow at the University of Washington (Seattle); Prof. Dr. John Gottman                           |
| 1995-2008 | Director of the Institute for Family Research and Counseling, University of Fribourg                        |
| 1999-2001 | Assistant professor at University of Fribourg   |
| 2001-2003 | Professor of the Swiss National Science Foundation  |
| 2003-2008 | Associate Professor of Clinical Psychology and Close Relationships at University of Fribourg                |
| 2008-     | Full professor of Clinical Psychology for Children/Adolescents and Couples/Families at University of Zurich |

## **Teaching activities**

Teaching in BSc and MSc as well as Ph.D. programs at the University of Zurich and other Swiss universities.

## **Clinical Training and Practice**

Guy Bodenmann is trained in cognitive behavioral therapy and specialized in couple therapy. He developed the Couples Coping Enhancement Training (CCET) and the coping-oriented couple therapy.

## **Clinical Training and Practice**

Director of the clinical training program in Cognitive-Behavioral Psychotherapy for Children and Adolescents and president of the Academy of Behavioral Therapy in Children and Adolescents at the Universities of Fribourg and Zurich, director of the clinical program in couple therapy. Director of the clinic for psychotherapies for couples and the clinic for psychotherapy for children/adolescents at the University of Zurich.

## **Honors & Awards**

1991: Vigener Award for outstanding research, University of Fribourg

## **Research Grants (last 8 years)**

Impact of stress on relationship development of couples and children: A longitudinal approach on dyadic development across the lifespan. *SNF-Sinergia-Project* (Nr. CRSI11\_147634/1)

Strengthening couples during the transition to parenthood: A randomized controlled study. SNF (Nr. 100014\_146775/1)

How families cope with child cancer. A longitudinal study on the role of we-appraisals on child's health-related quality of life. *Krebsliga Schweiz* (KFS-3325-02-2014)

Impact of stress on relationship development of couples and children: A longitudinal approach on dyadic development across the lifespan. *SNF-Sinergia-Project* (Nr. CRSI11\_133004/1)

Dyadic coping in adolescent couples: How do young couples cope together and how is their dyadic coping influenced by their parents' models? *SNF* (Nr. 100014\_129699/1)

National Centre of Competence in Research (NCCR) "Overcoming vulnerability: Life course perspectives: Women facing cancer: Impact of the social support"  
(LIVES) *SNF sub-project "Social support in women dealing with breast cancer"*.

The impact of external stress on couples' interaction within one year  
SNF (Nr. 100014\_129627/1)

The impact of external stress on couples' communication. *SNF* (Nr. 100013-115948/1)

## **Memberships**

Guy Bodenmann is International Affiliate of the American Psychological Association (APA), German Association of Psychologists (DGPs), Swiss Association of psychologists (FSP), Swiss Society of Psychology (SGP) Swiss Society of Cognitive-Behavioral Therapy (SGVT), International Association for Relationship Research (IARR), National Council on Family Relations (NCFR), European Society on Family Relations.

## **Publications (selection and organized by topic)**

20 books and more than 200 scientific contributions in peer-reviewed journals or books.

### **Two French books:**

Bodenmann, G. (2003). *Une vie de couple heureuse*. Paris: Odile Jacob.

Bodenmann, G. (2003). *Le dépistage du divorce*. St. Maurice: Editions St. Augustin.

## **Publications by topic**
